

For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted – you may well put-up with it!

PUTTING-UP WITH WHATEVER

It is rather surprising that in all the knowledge or wisdom we aspire to acquire in life, the knowledge of our faith or the wisdom about God seems less interesting or

less explored.

The lackadaisical attitude toward studying the Bible and seeking the truth is increasing with each generation.

When it comes to faith, a lot of people are not interested in its authenticity.

Some will even say, 'as long as I have what I want, I don't care where it comes from.'

The quest for quick solution, fleshly satisfaction and worldly achievement has created rooms for diverse merchandisers and agents who have products for sale.

Since many today are more interested in physical activities, eloquent speeches and numbers of fellowship;

and others are interested in solution fixing, sign and wonders; and soothsaying; these agent businesses are booming.

Jesus, clearly spoke about the signs of the end time and said,

“For many will come in my name saying, 'I am He', and will deceive many -- false Christ and false prophets will rise and show signs and wonders to deceive, if possible even the elect. But take heed, see, I have told you all things beforehand”

(Mark 13:6, 22, 23).

Those who have neglected this warning are putting up with strange spirit, another Jesus and different gospel.

If we cannot just swallow any medicine without verifying its authenticity, expiry date and what it will cure – though this is just for our temporal earthly body – how much more should we be more careful with the gospel of Christ which is food and medicine for our souls?

Remember your soul lives forever, don't let your temporal want destroy your eternity, it is not worth it, and don't put up with just any gospel, search for the truth.

THINK IT OUT

Have you ever thought of eternity? Is it

important to you?

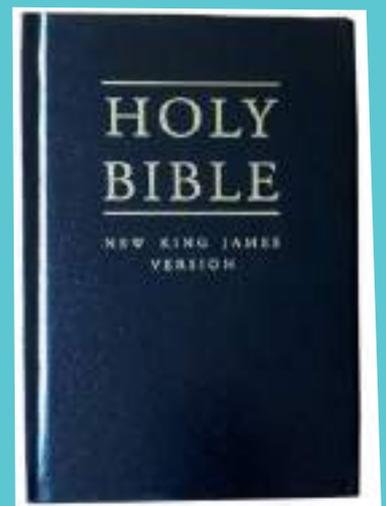

PRAYER:

Dear Lord Jesus, please help me to be more careful with what I allow for my soul.
